

2009 "Taking Aim" Annual Fund Campaign

Take Aim at Target in Seattle!

Make your gift and win a weekend away! Imagine a weekend together in Seattle. Visualize yourselves enjoying a delicious seafood dinner after a stroll through Pike Street Market and some fabulous shopping at Target.

If Seattle and Target don't hit the mark, use the \$750 travel voucher and \$500 gift card any way you like. There is only one condition – have fun!

Here's how to enter!

1. DONATE

Forward your Annual Fund gift to the Development Department by the deadline of Friday, November 20th, 2009 at 4:00pm. Post-dated cheques also qualify if submitted prior to the deadline. This earns you one entry.

2. DONATE MONTHLY

Contribute to the Annual Fund monthly via automatic debit or credit card by the deadline and receive an additional entry! If you already contribute to the Annual Fund via monthly debit or credit card, TWO ballots have already been entered for you (one for your gift and one for giving monthly).

3. INCREASE YOUR DONATION

Increase your contribution to the Annual Fund a minimum of 15% beyond last year's contribution, and you will receive yet another entry!

UNITED WAY

You can donate to Clear Water Academy (Charitable Registration #89365 0259 RR001) through the United Way. Simply provide us a copy of this year's United Way Donation form with Clear Water Academy listed as the recipient by the deadline to receive your entry.

Contest closes Friday, November 20th, 2009 at 4:00pm.

Wondering How Much to Give?

Your gift, regardless of the size, is valuable and Clear Water Academy is extremely grateful for your contribution. A guideline to consider is that when our goal of \$200,000 is divided among our school families, it is approximately \$840 per family each year or \$70 per family each month.

A new and growing tradition at Clear Water Academy is our Co-founders' Society. Those who donate \$1,500 or more to this year's campaign will join this year's Society and be recognized next fall with an event hosted by our Board of Directors in their honour.

Thank you for your support – Thank you for aiming high!
