

“Taking Aim”

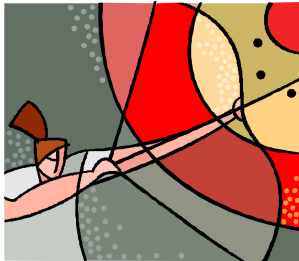

Our 2009-2010 Annual Fund Campaign

Dear Families,

The dedication and generosity of Clear Water Academy’s families and faculty make our school community unique. Together we take aim at our goal of educating and forming our children. Together we give them the tools they need to achieve academically and spiritually. At Clear Water Academy our children are given the ability and desire to aim high. The goals we help them set are not just academic. Most importantly, we help them achieve the greatest goal of all – to spend eternity with our heavenly Father. Our Annual Fund target is one of the tangible ways that this is achieved.

The cost of educating a student at Clear Water Academy is greater than tuition revenues and government grants generate. The Annual Fund is essential to bridge the gap. The Annual Fund provides funding for many of the school’s most pressing needs. Every dollar raised is ultimately dedicated to enriching the lives of our students in their pursuit of intellectual, character, spiritual, athletic, and apostolic development. We need each and every one of you to contribute to this important fund.

Total commitment to the Annual Fund from Clear Water Academy families and faculty is critical. Our ability to demonstrate 100% participation is considered by foundations and corporations when they decide whom to fund. Let us show them that we, as a community, know how to hit the mark.

Our Annual Fund target for this year is \$200,000.00. Each gift, regardless of the size, makes a difference and contributes to our goal of 100% participation. When divided among our school families, this goal results in a figure of approximately \$840.00 per family per year or \$70.00 per family per month. Donors of \$1,500.00 or more to this year’s Annual Fund Campaign, will be recognized next fall with a Co-Founders’ event in their honour. Please prayerfully consider what you are able to give and complete the attached donation card. Together we will uphold Clear Water Academy’s vital mission.

Pick up your pen – take aim – Let’s get a bulls eye together!

Yours in Christ,

Margaret Matthews
